THE HOLLENBECK PRESS—an establishment with a reputation for the quality of its product—having recently added considerably to its equipment, is now prepared to serve, in addition to its regular clientele, a small number of those who regard excellence in typography and superior presswork as essential factors in the makeup of their printed matter.

Ample mechanical facilities and, more particularly, personal supervision by men especially qualified in their line of work, guarantee results at once pleasing and of the utmost value from a commercial standpoint.

Firms or individuals who demand something better than the ordinary in printing, are invited to call on us, or to send for our representative.
